

Carbon Tax Removal Substantiation Statement: TEC Desert Pty Ltd.

Pursuant to Part V of the *Competition and Consumer Act 2010*

All costs charged to TEC Desert Pty Ltd.'s customers as Carbon Tax, as specified in the *Clean Energy Act 2011* (CEA), have previously been applied as a separate line item on the invoices. These Carbon Tax line items will now be removed for Invoices issued covering periods from 1 July 2014. The Carbon Tax has been calculated in accordance with the CEA.

The carbon tax cost based on invoices issued for the period 1 July 2013 to 30 June 2014 totaled \$12,460,294. This cost is representative of future savings per annum attributable to the Carbon Tax repeal that customers will no longer be charged in invoicing from 1 July 2014.

Carbon Tax Removal Substantiation Statement: TEC Desert No.2 Pty Ltd.
